Subject: Happy Birthday!

I wanted to call you immediately after midnight your time but I think that you are sleeping.

Happy Birthday!

I wish you all the best for your big 50 ;)

I can't believe you are 50 – as you look much younger.

I wish you many many FUN and interesting years ahead of you.

Thank you for being such a great friend at the time I needed the most.

You are the best!

Sorry that I am not with you for your big day.

B
