for the tenth time . why are you asking me any more questions. i don't get it. just do as told , and stop . I am doing my best in trying to do you a favor. i hope it works. as i said , you should use this as confirmation that it is possible that many of your misunderstandings in the past . deals people etc. have been as as result of you not being clear. of dealing with sleezy epople , or crzys, or simply taking what is simple and making it complex. I am going to do my best . you didn't tell me that cmb was on the contract.

I've sent Darren this twice but still haven't received confirmation that he's received it , or that he's received the email from the developer.

Here it is so you have it as well:

Evan Seidan
