Tyler is concerned that we will lose National Geographic article if we do not commit today.
His invoice outstanding invoice is 13,411 for Dec 2013 & Jan 2014.
What do you think of sending him 8,000 or 10,000 to keep him working...
Please advise

Hi Richard,
Just wanted to touch base to see if you have heard from Mr. Epstein on our last invoice.
We have National Geographic lined up for this week and are in process of
submitting - I want to make sure all is well before adding more expenses.

This is becoming an urgent matter in relation to getting results for Mr. Epstein. I need to
have the confidence to keep moving forward to hit the goal established the last
conversation we had.

Please advise.

Sincerely,

Tyler Shears
