THE NEW BLENDED FAMILY

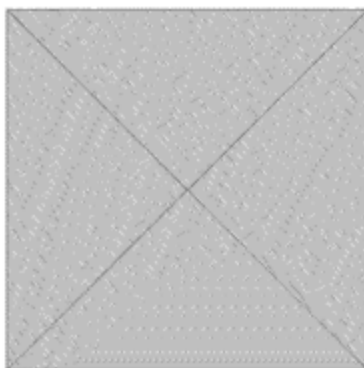

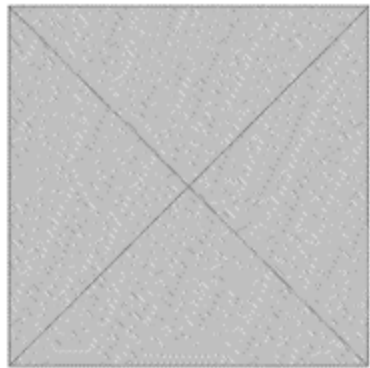

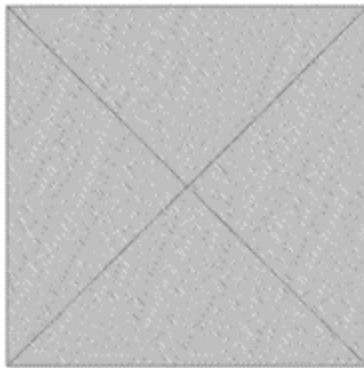

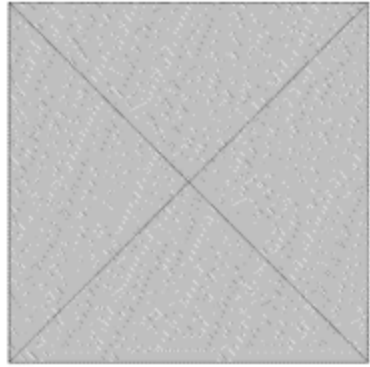

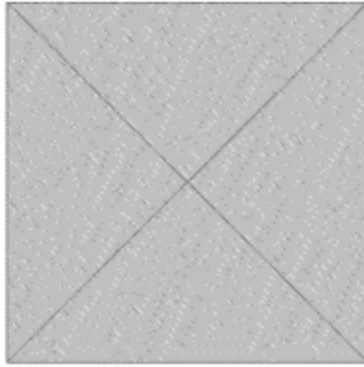

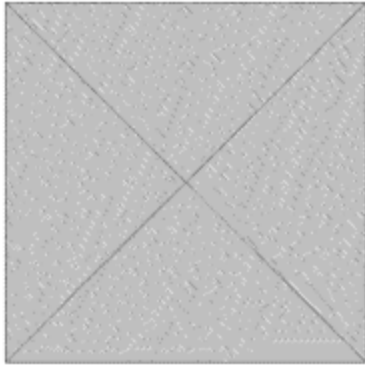

Go Ahead and Mix Things Up

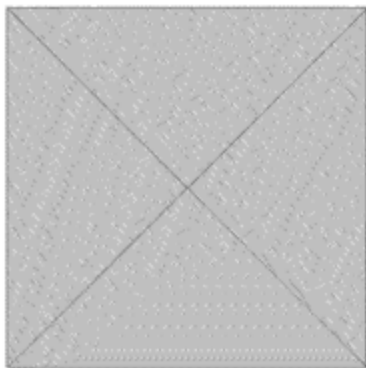

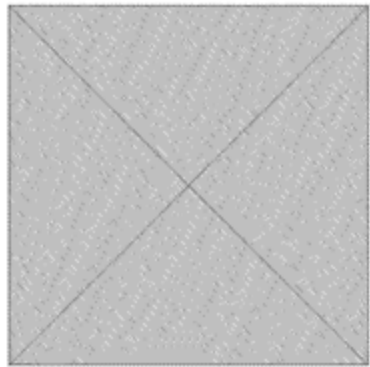

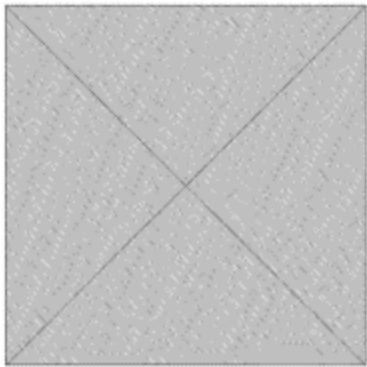

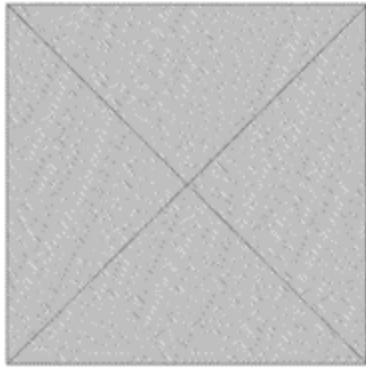

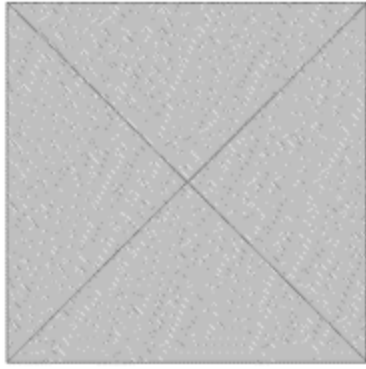

In our final collection inspired by TV's favorite American family, we celebrate what happens when two distinct styles meld together. **Like the family's third unit, sometimes opposing tastes can come together in harmony.** Our collection builds upon sturdy mid-century inspired furnishings in comfortable neutrals that will withstand all the changes in your life and style. Mix things up with bold geometric textiles and art, with some added rustic and organic that give that homey feeling. **If you're big on texture, or looking for the kind of style that lasts and lasts, you'll fall in love with our third curated collection for contemporary families.**
