Hi [REDACTED]

Yes same results for us here - also just got the google alert for the release, thank you for [REDACTED]

Looks like health grades finally bumped one of them out - Harvard and Edge should help us keep it out and get the other two down, but we really need to get [REDACTED] moving. I look forward to Mr. Epstein's feedback on to confirm we can continue.

Sorry for the delay yesterday was sick but back in action today.

Sincerely,

Tyler Shears
