We could add to the existing page on PED for Faculty

<http://www.ped.fas.harvard.edu/people/faculty/>

It currently focuses on Martin and ranks #1 for his name. Adding Jeffrey Epstein further down, linking it to Google+ page, and including a website would be very powerful

Hi Jeffrey,

I'm going to update your Edge.org profile and wanted to know if you could add your response to their annual question.

Edge features on the 1st page for Martin, Lawrence, Seth etc. [REDACTED] it to do the same for you.

Thanks for letting me know about that and if I can ask Martin to set up a PED page for you. That url would be valuable.
