Hi [REDACTED]
I got ill and could not fly so unfortunately I am still in the city. I am myself waiting from instruction from Jeffrey as to what he wants. Otherwise we have no direction to go in when you do meet with the girls.
I will ask him again today.

Thank you

I did not hear back from you and now I have no information. I realize that you are away, but can you please put me in contact with someone who can help?

Richard,
Can you help? As I did not hear back from [REDACTED] and I think that JE wants me to reach out to the girls regarding their individual spaces. This I am not even sure of as I received a call from Steve saying that JE wanted me to reach out to the girls, but I am not sure what about and now that [REDACTED] is gone I have not way to reach out to them directly.

Please help in any way that you can.

Best,
[REDACTED]

Please keep me posted as it would be great to get clarification about what JE needs me to discuss with the girls. Can you send me a list of all the girls contact numbers just in case if you are away I can coordinate directly with them?

Thanks! I am sure we will chat, but if not have a safe, fun trip!

Hello [REDACTED]
Thank you. I am waiting for clarification from Je as to what direction he wants us to move in. ie: does he want the girls to have more input again?
Unfortunately I am leaving for Cape Town this weekend. I will be back in the city. 27 th February.
Once he gives me direction I am of course available any time until Saturday evening.
Hope to be in touch ASAP!!

JE asked me to reach out to you and the girls... I am not sure why as the message was passed on through Steve. I tried calling you yesterday and have not recieved a call back. Please reach out so we can hopefully get things moving in the right direction.

Best,
