Dear Jeffrey,

Thank you very much - it is really very kind of you that you care about me trying to make me more successful and have fun. I appreciate a lot your suggestion to go out with [REDACTED]. The matter is that I simply wasn't in a mood yesterday to go anywhere - just wanted to have some time by my own to think about all important things you said to me during our meetings this week. I highly value all your suggestions and ideas and want to think deeper about things we talked together with you.

Thank you once again for caring so much for me and my sister - we both are so grateful to you for all you do and give for us!

As for your company - I'd be more than glad to join you some time - I highly admire you as a person - so intelligent, so broadminded and modern at the same time!

Kindly,
[REDACTED]
