**Subject:** Arrangements for Nana

Hey Bossman,

Unfortunately, :( Ken from "Inflatable Boat Pro" said that it wouldn't be such a good idea for them to come down to the St. Thomas because they have special tables and Machines as well as the Man power for each type of Labor needed to get the Job done correctly.

Ken is willing to pickup Nana from Sea Star and allow Max from "Flexiteek" to do the deck at their location while the Inflatable is being made and prepped.

Sea Star Roundtrip Shipping to Port Everglades, FL: \$12,150.00  
Inflatable Boat Pro: \$16,935.62  
Flexiteek: \$10,477.00

Total cost: \$39,562.62 not including Incidentals, Port fees or Custom fees.

Are you comfortable with us moving forward with this arrangement?

Please advise,  
Ann R.
