I spoke to Erez today, and I am very upset/ . In the conversation with Erez , at this the 24th hr, he questioned whether the investment fits the his/ your mandate and he suggested that this now requires investigation.

We agreed a deal , you and I , and afterwards full agreements were negotiated in minute detail over motnhs with your lawyers and mine,

I would greatly welcome a conference call as soon as posisble with you Erez and me, to clear up this highly problematic turn of events .

Many thanks,
David

I agreed a deal with you and I took your word, and based on that full agreements were negotiated with your lawyers over the last months.

May I suggest a conference call with you and Erez to clear this up and move forward to closing this transaction swiftly?

Many thanks,
David
