Greetings Mr. Epstein,
Mr. Samuel would like you to call him at [REDACTED], or his son at [REDACTED] for
further explanation of the dome progress.

Mr. Samuel says the dome is currently a big un-assembled puzzle, and he did not want to send
you photos of pieces of metal, because it would not make sense.

I told him that is why I contacted on Saturday, after receiving your request, so that he could take
the time to take multiple shots and put together explanations where appropriate.

Mr. Samuel also informed me today that the project is back in his shop in Cruz Bay.

Respectfully submitted,

Daphne
