I just got off the phone with [REDACTED]. I've been talking to her every day. [REDACTED]'s condition is deteriorating rapidly. As of last night he was hallucinating. Earlier today she found him on the floor and he wasn't able to get up Alone or with her help She waited for the assistant Arnie to arrive. Right now she's waiting for a wheelchair to be delivered. She's also going to request help for the nights as well She just wanted to review this with you She herself is truly overwhelmed I spoke with him last night and his speech is very garbled and his answers are somewhat confused. Just wanted to keep you informed I know [REDACTED] was anticipating that you Terry would be by today . Just think she needs reassurance that with it to support her and I have done that My senses seeing him is going to be very demanding emotionally As I Said speaking to them every day inviting her how to utilize and intervene with the hospice program I'll keep you informed
