Dear Mr. Nowak,

Happy New Year! I hope you are well.

I am writing because Jeffrey was wondering if he could possibly have an entire PED website page. It would be very helpful in terms of Google results if his name were attached to a Harvard .edu url. For example:

http://www.ped.fas.harvard.edu/people/staff/Jeffrey_Epstein

The page link could be under any section you think best, (Faculty, Advisory Board, Other Members) just so long as Jeffrey's name is in the Harvard edu url.

If this is okay, I will send you his profile photo and a short bio.

My best regards and thank you,
