hi jeffrey,
i was thinking.., maybe michael can come and help me with the five palms project. it is still a lot to do and there are many things he could do: measurements, taping, writing math formulas and do the gold leafing, then waxing and burnishing walls. i'm thinking maybe then it would go faster. besides i have to do the kitchen at the flag pole pool cabana too..
..what do you think?

thank you,
ion
