You offer is great and very much appreciated. May it is silly not to take it but I haven't been so happy and peaceful in long time . I've got my family together , wonderful , caring , supportive man and I still get to travel a lot. The only thing I'm missing is direction of work. I have decided to start a new course this year , economics isn't really my thing.
Working for you is an amazing opportunity , but I want to find a job here in my happy place .
Thank you very much xx
