Good morning Jeffrey,

I just spoke with Larry at length regarding the entertainment system and ALL the remaining items.

There is a lot of work that is required for the entertainment system and it will take 2 - 2.5 weeks for removal, wiring, mods and reinstall. There will have to be a lot of open up just to gain access.

I also discussed with Larry the need for additional 115vac power.

In the 2-2.5 weeks we will get it all done - shades and switch included.
