Heidi, I am disappointed to hear that your false story telling has now extended to our past relationship. You and I both know that you made an agreement with me, i did as you asked, and then you unilaterally broke it. pure and simple. Your transactions in gold alone made more money than you agreed to pay. Making false representations to the authorities will only come to a bad end. That being said, it is your business on how you will conduct yourself. I suggest two things. one, I don't want to hear that you are crafting stories about me and you, I will not sit idly by, two, you should pay the 5 million dollars you agreed to pay. I assure you both steps are in your best interest.
