I just called Elias, Buyers broker, he spoke with a heavy accent, he is from Venezuela and is Lebanese nationality, I only mention this to shed light on whom we a dealing with, and Mr Diaz is most likely similar. Elias would come to Palm Bch and view the Boeing on Monday, and hopes he could convince Mr Diaz to join him next week as well. Elias said that he would be Mr Diaz's eyes an ears if Mr Diaz is unable to view on Monday,. Elias wants this deal to go thru before the end of the year, and told me he wants his commission, he seamed very straight fwd, and told me, "I want this deal to happen so I can get paid, Mr Diaz trusts me, and if you aircraft is as clean as the Photos look, we will have a deal"

This deal will be similar to the GII deal, if they like it, they will buy it, only items they will complete would be borescope of engines and Log book research is what Elias indicated, and maybe some inspection panels opening.

-What do we have to loose,? can I bring the Boeing to Palm beach on Monday and let Elias view, and hopefully Mr Diaz will follow later in the week after Elias raves to Mr Diaz what a clean aircraft and log books we have kept?

can I fly B727 to Palm Beach on Monday?

thank you,
Larry
