My very dear Jeffrey

I do not fit into this category and never would. Did adore you.... Though. You are something special but easily bored. I not boring but I am not 20 but extremely good and beautiful for my age. So we are friends?? We all need those. ?

To be serious, I am working on a project primarily focused on Positive Jewish media. The first project we are pitching for is to the Hungarian government on its past Jewish Sporting heroes. There is also a commercial element that is non Jewish. You are so brilliant and clever. I would very much like your views and advice on how we set this up should this move forward

Will you do this to help me? You were wonderful to help me with the Maccabiah. Your mother would be proud. Loved your mother.

I hear there are storms in NYC?

Can we speak ? It is a shame you are not here. Such beautiful weather here.

Send you xx

I am being turfed out of the Peninsula in LA because I did not confirm my dates. It is the Grammy Awards weekend so I will go back to London with mountains of luggage and not make lunch with you. I would very much like to see you.

Can I give you my dates for my next planned visit to NYC? Will you still see me??
