Greetings Leslie and jeffrey. Just a quick update. My DHT is +75 percent. OCLR +67 percent and PEIX +55 percent. YRCW +32. Since we met in October. The little Micro Cap is -25 percent but I expect them to get their act together and if they do and start growing. 20X. My #s are being certified for 2013. +83 percent. I love OCLR, AMD, and COCO for 2014. All at least 3-5X.
