Living Health

Hello Jeffrey
Happy New Year.
How are you? I hope all is better and that life is good with you.
My friend who owned and ran the Ayahuasca retreat and tree house resort in Peru which I have been going to all these years was sadly killed a few weeks ago. It is a little oasis and great centre with lots of lands and beautiful tree houses and malukas, it is now up for sale and I would like to run it and I am looking for potential investors who might be interested to get involved. As I recall that you were into all things healthy, I thought perhaps you might be interested? if not, do you know anyone who might be interested?
Best wishes
Eman
