standard is that I receive full year payment up front. you wanted to: 1 discount my fee. rationale- . carlyn was my recommendation , though i was never asked to review consulted or even informed. of nay actions she took or even suggested (email traffic shows that there were many suggestions made by her and her team that were ignored , afr rate not right). 2. you then wanted the fees spread over time. I agreed, you then wanted the fees paid at the end rahter than the begiing of the period I agreed . 3. you then asked that 1.5 million of the fee go to charity. . i agreed. 4. you asked that the first payment be delayed. by a few weeks. I agreed, you then asked that it be delayed again i agreed, 5 we then agreed again 4 payments of ten milliion at the end of the period excepet the first moved from jan to dec. , with the caveat that no more delays, on dec 16. you asked eileen to hold off payment. , on dec 5 you asked that I pay 1 million to the charity. I did . withholding dec payment , without even talking to me, though I acceptted it , it broke our agreement. no problem . however though as i have mentioned ad nauseum, your work is a multiple of time originally allocated. deeper problems than i could have imagined, but I except for complaining I would, of course always live up to my end of the bargain. as the payment was intentially withheld I wanted you to be aware that I no longer feel bound to continue .
