Good morning! How are you today?

I have been to the dentist this morning. Glad that you thought of doing this and sent me there.. It's way worse than I thought the condition of my teeth. As in lithuania is not normal to do cleaning of teeth, today was the first time I had it ever done. For this reason need to come back to finish the cleaning as they couldn't do it all in one day. And only then after the cleaning is finished I can have my teeth whitened/bleached. Long process..

But that's so amazing that I got this oportunity from you! Otherwise would just probably start loosing teeth in some years.. Not only for having my teeth shining white, but for having them in general..

Thank you so much! have a lovely day..

Lesley told me that you still want me to go to dentist tommorrow, thank you very much for it! And again for all rest that you are doing and have done.. Hope I will manage to prove you that I'm not a bad and unpolite person, and not just a silly model..

Thank you and see you soon.

Have a nice evening! [REDACTED]
