Good Morning Ms. De Jongh:

Please note that President Hall is on St. Croix today and isn't expected back until this evening. He is available however tomorrow at 5:30p.m. While President Hall's Friday afternoon is already booked, we can make some adjustments in his afternoon schedule if there is a time on Friday afternoon that works for Mr. Epstein. President Hall is also available on the Monday, December 16th at 1pm albeit the University is closed and the more informal meeting can occur at the President's Guest House. We apologize for the limited flexibility in the President's schedule. Given that it is the last week before the University closes for its recess, the President's schedule has been inordinately booked in finalizing 2013 matters and commitments.

Thank you for your guidance on the above and patience in the scheduling of a mutually convenient time.

Regards,
Una C. Dyer

Good morning All,

Jeffrey said that he can drop by today at 11:30 AM on his way from the airport. Does this work?

With warm regards,

Cecile

Dear Cecile,

I heard back from Ms. Dyer.

Dr. Hall has a Board meeting this Thursday at 2:30pm and is unavailable to meet at that time. Also, Ms. Dyer reminded me that final exams have concluded, so there are no classes in session. The third week of January would be the earliest to actually see a math or science class in action.

Kindly advise if the Monday, December 16 @ 1:00pm meeting time might work for Mr. Epstein. Alternatively, Dr. Hall can also be available this Thursday at 5:30pm. Please let me know if either of those options work.

My best,

Dionne

Good afternoon Dionne,

Is it possible for Jeffrey to meet with Dr. Hall this Thursday at about 2:30PM? Jeffrey would love to see some math class and science classes while he is there.
