Since Mt. Sinai...Dr. Shimony's assistant says even if Dr. Shimony called Mt. Sinai and told them you are coming in and to please not have you wait around for an X-Ray, there is no guarantee it would work. I am told it does not matter where you get your X-Ray...all doctors can get your results.

OK to keep your actual appt. at 9:30am on Monday Dec. 2nd at Lenox Hill Radiology vs doing a walk in at Mt. Sinai?
