Hi Eva,
I had dinner with some friends the other night and mentioned that our girls played on the same soccer team. Upon hearing that you and I were in contact my friend Kim asked that I forward this to you.
Warm regards,
Michelle

Michelle,

Could you please forward this to Eva Dubin. Heidi and she were good friends. This may come as a shock to her.

Thanks,
Kim

It is with greatest sadness to inform you that Heidi has lost her battle with cancer. Diagnosed with Stage 4 earlier this year, Heidi was adamant about dealing with her illness privately. Despite aggressive treatment, the cancer spread and became inoperable. She entered hospice last week. Heidi is survived by her mother, Florenze, who was with her when she passed this morning. Condolences may be sent to Florenze Kucker, [REDACTED]. Services will be private.
