Subject: Mort Zuckerman

Amy in Mort's office called to say Mort will give you a call as soon as he can but he is not sure when that will be...in the interim, he is asking if you could explain what your email from this morning was about ...something about a name change...Mort wasn't sure what you meant by this. Amy says you can email your reply to this directly to Mort or you can call or relay through me...whatever you prefer.
