i know you can get where you want to be. i am also aware that you share your sisters view that litunian attitudes will get you there. they will not. . there are very few lithuainzn biz people in the states that are succesfful, your culture is a hindrance as it is so rigid. in a country with so much uncertainty people cling hard to old beliefs as at least they don't change. If I can make your stay in ny more productive i am wiling to. woudl you like to see ssoem arch itecture firms schools projects. ? ? I have little interest in the modeling biz , it is old thinking
