Hey Bossman,

as you requested...

Should Chris put the remaining 5 Palm trees next to the new ones in "pic 1" empty spot?

Mr. Fraguela said that he can't get us any Concrete until Friday and that they won't be completed until Monday because of the delay with the concrete.

Would you like me to get cream stones or white rocks for around the palm trees?

MC Kitchen sink is fixed :) it was the Main water line that connects to the dishwasher & sink.

The Grotto is complete.

The engineering wall is ready for the concrete.

The Rock wall by pops garden should be completed by 12/11.

The swing looks great hanging from the Pergola.
