Robin Solomon has found a specialist for you...she really hopes that you will be proactive and make an appt with her. Robin asks that I send her an email with the following:

your name

address

cell phone #

DOB

Health Insurance Info

and if you are willing to self pay

Robin can then get started on making you an appt. She believes it would be a good idea to see this expert.

Do YOU Want me to send Robin the info she is requesting and have her set up appt for you?

Robin has also passed along a phone number you can call at any hour any day for a doctor on call: [REDACTED] (I will give this number to all of your assistants)
