Mark says you have approved the kitchen color.

The thing is I sent 2 boards of color. Subtly different. One matched the front of the folder(which was sliiightly faded) and one the back(which was sliiightly darker).

[REDACTED] said there was one board in the orange folder itself on the main kitchen counter when you left the island and I should ask you if it is that one. Then [REDACTED] can check for me as I wrote the names on the back.
