Title: Uber now accepts PayPal - \$15 off your next ride

UBER HQ

Go places with PayPal!

Hey Jeffrey,

Uber has always been cashless, but starting today, you don't even need your credit card.

You can now pay for your rides with PayPal!

If you're on an iPhone or Android, just update your Uber app to the latest version and you'll be able to add your PayPal account as a payment option. And as a bonus...

Get \$15 off your next ride when you pay with PayPal!*
