Jeffrey,
Gulfstream Tech ops is reviewing my photos of the Vortex Generators, my conversation with TechOps in Savannah strongly suggested to replace the upper Fuselage Generators.
Gulfstreams price per vortex generator is .50 cents each,.not a typo.
my plan:
- replace all upper fuselage vortex generators upon arrival in ilsip,.
-Jack the GIV and complete another gear swing to verify that all gear doors seal properly.
-Test fly with Excel Air mechanics, and maybe Tech ops from Gulfstream if I can get them to accompany me.

I spoke to the paint shop manager, and they will stand by and repaint any and all areas that we repair at no charge,.

thank you,
Larry
