I am both surprised and disappointed that after weeks of receiving attention , support, help and gifts, that you haven't made any effort to return the kindness,. Not a cookie, book, chocolate or music. Not even a question to any of the many girls, as to what you could do. I understand your schedule is busy, but everyone's schedule in ny is. Others find time to express appreciation for generosity. I remain a strong supporter of you, but as I said , it is only one part of a successful life.
