Hi,

We are doing our own upholstery for the seats.
The cushion will be white, the foundation with suspension mechanism will remain black as original.

Can I call you today in 3,5-4 h?

Best regards

The driver seats are extruded in foam and only available in black
color.

We thought to make white covers for them, however the covers
would not

be tight, and I think better to leave it in original.
What do you think?

Hi Richard,

Enclosed please find our suggestion for the
benches inside the
cabin.

On previous boats we made GRP benches,
however these ones, made of
stainless
steel, would be more neat.

In the passage there would be a foldable seat -
the question is do
you need
it?

Best regards
Adam Zygowski
