Good morning Jeffrey,

I will be going to STX on a 4 PM flight today to host a reception w/ John for some visiting governors. I will probably leave the office by 3 to catch the flight. I know that [REDACTED] will be coming to the office today so that we can work on the Dept of Ed gift - do know what time she will be over? I really would like to sit with her.

I will be back early tomorrow morning.

With warm regards,

Cecile
