Quote aircell software key.pdf

Jeffrey,
Lead time is 1 week to acquire parts for Talk & Text AirCell upgrade,,
parts \$9,996.00 and Labor to install \$330.00 if work is accomplished in Islip,, if we have ExcelAir travel to
Teterboro, labor would be \$1,800 which would be more economical than flying the GIV to Islip.
Total \$10,326.00 if accomplished in Islip, or \$11,796.00 in Teterboro.
Do you approve of Teterboro install, and Aircell upgrade?

thank you,
Larry
