Jeffery,

Really nice girl! Really.

I've met with her at my office, had a drink with her also this past week. I've looked at all of her photos, reels, and commercial work. Per her request, I'm in the process of introducing her to agents for acting at several agencies. I advise her how to organize her work to impress. I'm introducing her to agents who are motivated and get people at her level real work. So far she has two meetings being set, and by the end of next week should be six more. I let her know she'll need to work on her accent for certain work as well.

I'll always check in with her, and she knows she can lean on me for support and guidance.

Best,
Barry J
