Good evening Mrs de Jongh-

Wanted to confirm I did receive this. The permit number referenced is for the building permits division. Would it be possible to have the corresponding CZM permit number provided?

Good afternoon JP,

I have been advised that there will be some work done under permit #117-11 on Little St. James Island. The work will commence on Monday, September 23, 2013. It entails completing a concrete patio and tiling.

If you have any questions, please let me know. Have a great weekend.

With warm regards,

Cecile
