It was great that Leon met both candidates back to back. Actually in the end, I think he sounds inclined to go with Rich but need to speak to him this morn. Were you able to get true color on comp for each? I am on the train into the city now, we woke up this morn to find we had a burst hot water heater-not fun.

We have two of the Phaidon directors in and have a board meeting and another meeting with them back to back from 9 until 12. Then I am taking them downtown to the new space and have a conf call I must do at 2. Therefore, I won't have time to speak until later this afternoon. If you do have the comp info please send to me via email b/c I should be able to speak to Leon after the board meeting. Leon actually suggested we might consider hiring both if Lisa was willing to take the controller job, I need to speak to Jeffrey, too-maybe we rearrange and make Rich the tax director and Lisa the CFO. Please think about this too.
