Our statues have now been placed on an agriculture hold by customs.
Since below email I asked Irma to specify where they are being held as last time I spoke to her she told me they had left New York en route for Miami. They clearly had not as they are under the agricultural hold in New York.

Hi [REDACTED],

Please note that vessel containing your shipment was discharged on the 9/22/13. Upon arrival, it was placed on a Vacis HOLD. The Hold was removed and released by Customs on 10/04/13. Now the USDA has placed it on an Agricultrure HOLD until further notice.

Please note that due to Government shut down, we are experiencing delays. As soon as I have more information, I will advise you.

Regards
