Was on the phone with Ben when you rang a while ago and then was over with Leon, here if you want to speak.

Also just want to remind Lisa is set to meet with Leon 1:30-2 in front of our 2pm in case you want to join him.

Also have Rich Joslin lined up to meet with you following our meeting with Leon. still good? Not sure how you feel about this but If Leon has the patience I would almost like to see him meet Rich with you??

Met yesterday again with the rep from Ambrose Group. To summarize: HR services from soup to nuts- payroll, 401K plan, HR maintenance, compliance, support in hiring and firing process for \$182/monthper employee at headcount of less than 10 plus you get access to better health insurance options at more efficient price than otherwise. Their main clientele is family offices, did multiple reference checks, everyone raves about their service. Application coming so will need to move ahead with LLC-maybe we can discuss naming issue with Leon tomorrow.
