I'm sorry if you understood it this way- I didn't mean that I was tired to see you. I asked Lesley if it was ok for you to meet tomorrow as today from 8.00 am I was at school and just got back to the apartment. If it didn't work for you and you did not have time tomorrow, i would have come tonight after all studies. She told me she will talk to you and let me know later. I was waiting for her answer but she didn't write me so I was sure you were leaving tomorrow evening and would like me to come tomorrow afternoon. I'm very sorry for misunderstanding!
