Thanks for having me: good thing about hanging out with you is that you make me use parts of my brain that I would not normally use. I liked the Greek -- his stuff is very easy for layman to grasp and he has energy and enthusiasm that is infectious. I think you should sign him up. You look happy too -- who knows maybe there was a silver lining to all that muck.

By the way am having lunch with Staley next month -- ran into him in Paris bank conference a few months ago.

I arrive back in NYC after five years in London, pick up my favorite newspaper in the morning and see my old friend Jeffrey Epstein -- this time with Woody Allen.
Its great to be back! And look forward to catching up.
