Hi [REDACTED],

Thanks. I am confident getting the Huff Post and Forbes up will make a difference. We just need to get these two posts out and wait about a week for the updating of images and I think we will be looking good. Please feel free to share/communicate this with Jeffrey.

Best,

Tyler

Hi Tyler,

you will have the Forbes content by tonight. Feel free to rework/edit etc before sending it onto them.

am still concerned that 2 of the 1st page websites have slipped (science and Org. There are 3 negatives on the first page now: Forbes, huff and NY Post.

thanks for renewing the websites!
