i spoke with another tennis court vendor named Evergreen Tennis
they do work all over the country as well as Carribbean
they have been in business for 39 years

george from evergreen stated the following regarding your concern about sand on turf courts

- a) all turf courts require sand
- b) courts with shorter turf require less sand (10-15 tons)
- c) courts with longer turf require 20 tons of sand

george will send an email detailing the different types of turf if this is still the type of surface you want to pursue..
