I thought you would find it amusing that a guy who sat next to me at Sarah's dinner tonight, and was flirting with me the whole evening said: 'I'm not seeing anyone, but I just went on a date with this girl and it turns out she knows Sarah. Her name is Jen.' He had no idea how quickly the chances of the evening ending well for him went to zero...I have to admit it was pretty funny.

PS: thanks again for the flight and hotel.
