Hi Daphne

If you would please forward
to Mr. Epstien.

I regret to inform you the pool project will be the only one that I will be able to finish. Other
projects that are pending are not ready and have no starting dates.

I needed to secure long range work for my company.

Due to other projects that I had estimated and have come through over the weekend, I will be
starting immediately .

I thank you for the opportunity and hope we can work together in the future.
