Subject: GII parking

Jeffrey,

I have free parking on the ramp for GII in Islip until Nov 1st, I am researching companies to part/out the GII for your and Rich's review. Tomorrow I will have price for ramp parking in Millville NJ were Dallas AirMotive is located in case you elect to install an engine and park in there, Airport manager is out of town.

- I spoke to the FAA today, only takes 24 hours to obtain a Ferry permit if you decide to park in Desert to Part out or Zorro Ranch?

thank you
larry
