[REDACTED] is not really sure what she is to be doing...she has an appt with her attorney tomorrow. She also has an appt w/the French Embassy on Sept. 19th. She is not sure she can travel because of her status(?) She hopes to know more tomorrow after her appt w/the attorney.

I asked her if she needs me to purchase her a ticket to Paris so she can make her Sept. 19th appt at the French Embassy, but wants to wait to see what attorney says tomorrow because perhaps she does not need to go to the French Embassy at all... (?)
